

Administrative Board of Trustees Meeting Minutes

Date: August 9, 2021
Time: 10:00 am

Location: Attala County Library

A regularly scheduled meeting of the Mid-Mississippi Regional Library System Board of Trustees was held on Monday, August 9, 2021, at the Attala County Library. Trustees in attendance were: Rhonda Porter, Winston County, Martha Ramzy, Leake County, Flora Pilgrim, Holmes County, and Terry Jones, Attala County. Also in attendance were staff members: Charla Grace, Attala County Librarian; Tammy Bell, System Business Manager; and Josh Haidet, System Executive Director.

CALL TO ORDER...

Rhonda Porter, Board Chair, called the meeting to order.

SETTING THE AGENDA...

Mrs. Porter asked if there were any additions to the agenda. As there were none, the agenda was set.

APPROVAL OF MINUTES. . .

Mrs. Porter asked if there were any additions or revisions to the April 12, 2021 board meeting minutes. There were none. Terry Jones made a motion to approve the minutes of the meeting as presented. Flora Pilgrim seconded, and all were in favor.

PUBLIC COMMENTS...

Mrs. Porter asked if there were any public comments. There were none.

REPORTS...

A. Librarian's Report: Charla Grace, Attala County Librarian

(See attached report)

B. Financial Report - Tammy Bell, MMRLS Business Manager

Martha Ramzy made a motion to approve the financial report, and Flora Pilgrim seconded. All were in favor.

C. Director's Report – Josh Haidet, MMRLS Executive Director

(See attached director's report)

During the director's report, Director Josh Haidet reported that Montgomery County Administrative Board Member Margaret Harris had resigned her position on the board effective August 6, 2021. Mr. Haidet said he would be contacting the Montgomery County Board of Supervisors to inform them of the vacancy. Ms. Harris indicated that she did want to remain a member of the Montgomery County Advisory Board of Trustees.

DISCUSSION ITEMS...

A. Board Terms

Director Josh Haidet reviewed the current terms for the system's board members (see attached). Winston County member Rhonda Porter's term was scheduled to end September 31, 2021. As her current term was Ms. Porter's first "official" term as an MMRLS Administrative Board Member, she was eligible to serve an additional five-year term. Ms. Porter said she was willing to serve.

Director Josh Haidet said he would submit the request to the Winston County Board of Supervisors in the coming days.

B. Library Hours

Director Josh Haidet reported that during the initial phases of the COVID-19 reopening process in May and then June of 2020, MMRLS branches had altered hours of operation in response to staffing shortages and the need to sterilize branches at the end of the day. In May of 2021, MMRLS returned to regular business hours of operation at all locations, except for the Attala County Library, the Carthage-Leake County Library, and the Winston County Library. Hours had been altered at these branches based on what the director viewed as opportunities to improve library service by offering increased hours of operation. The new hours at each branch were Monday - Friday 8am – 6pm, and Sat 9am – 1pm.

While two branches had accepted the changes and had since gotten used to the new hours, the staff at the Winston County Library was dissatisfied with the new hours. The staff commented, among other things, that they felt that working the hours of 5pm – 6pm were not needed because not enough patrons were coming into the library during this time. They also stated that the new hours were negatively affecting them personally for various reasons.

Statistics were presented to the board as to the usage of the library during the months of May, June, and July of 2021. Mr. Haidet stated that it was his preference for the hours to remain Monday - Friday 8am – 6pm, and Sat 9am – 1pm based on statistics showing that at least some individuals were using the library during the hours of 5pm – 6pm. He also stated that he felt it was the library's responsibility to be open to the public as much as possible. Winston's number of staff members allowed the system the flexibility to have the branch open until 6pm.

After a thorough discussion of the presented materials, Flora Pilgrim motioned to change the hours of the Winston County Library to Monday - Friday 8am – 5pm, and Sat 9am – 1pm beginning September 1, 2021. Martha Ramzy seconded, and all were in favor.

C. ARPA Grant

The director next discussed the system's ARPA grant funds. MMRLS was eligible to receive \$41,951.36 in ARPA grant funds. There were several restrictions on how these funds could be expended. The library commission held an idea session and suggested several areas to focus on to spend the money. Mr. Haidet said he wanted to focus on expanding services and asked the board for their opinions on pursuing a low-cost bookmobile. The board indicated that they were generally in favor of that idea, and the director stated that he would then pursue it further.

NEW BUSINESS...

A. Discarded Equipment

The board was next presented with a discarded equipment report. After review, Terry Jones motioned to approve the report, and Martha Ramzy seconded. All were in favor.

B. Incentive Payments

Next, the board discussed a possible incentive payment program for MMRLS employees. In early 2020, the board had instructed Mr. Haidet to pursue the idea of a "thirteenth check" for library employees. After research and discussion with the Mississippi Library Commission, Mr. Haidet discovered that it was legal to offer an incentive payment to MMRLS employees. Incentive

payments had to be tied to a set of criteria that had to be met to receive the payment. The library commission strongly recommended that we allow an attorney to review any incentive payment program before implementing it.

Mr. Haidet began working on a draft of an incentive payment program after hiring board attorney Carey Varnado. Mr. Varnado reviewed the attached document, which is the incentive payment criteria for an HQ staff member. All position levels will have slightly different standards to meet to be eligible for the incentive payment. Mr. Varnado advised the system that the criteria for the proposed incentive payments cannot include any subjective measures. In other words, the requirements must "be completely objective, involving no judgment or opinion of the employee's supervisor."

Funds for the program would vary from year to year, need to be approved by the board, and will be based on the previous year's overage totals.

After review and discussion, Martha Ramzy motioned to offer an incentive payment to MMRLS employees, and Terry Jones seconded. All were in favor. Mr. Haidet said he would present the final draft criteria for all position levels to the board at its October meeting for approval. The board would also need to approve the total amount of the FY21 overage it wished to use for the program.

C. FY2022 Draft Budget

The board next discussed the FY2022 system draft budget. The director presented the board with the draft summary of the budget (see attached), outlining significant and/or suggested changes to the budget.

After review and discussion, Terry Jones motioned to accept the FY2022 draft budget as presented, and Flora Pilgrim seconded. All were in favor. Mr. Haidet commented that the library system would operate according to this draft budget until final funding commitment numbers were received from all funders, and the board approved the final budget at its October meeting.

ADJOURNMENT...

Board Chair Rhonda Porter asked if there was any further discussion needed before the meeting was adjourned. As there was none, Terry Jones motioned to adjourn the meeting, and Flora Pilgrim seconded. All were in favor.

Book Displays in June & July:

Animal books following the summer program theme in June & July for children.

Men's Health, BBQ & Ice Cream in June for adults.
Western & Pioneer Days in July for adults.

Virtual Programming:

June & July- Summer Library Program. This year's theme was "Tails & Tales." We had three virtual programs on the Attala County Library Facebook page:

The North MS Fish Hatchery, June 17th
North Carolina Storyteller, Donna Washington, July 8th -14th
Live with the Memphis Zoo, July 15th @ 1 PM.

In-person storytime at the Attala County Coliseum, June 24th.
Lindsay Fitts, the Youth Services Coordinator for MMRLS did a puppet show, stories, music and games. **Fifty-five** people attended. The community enjoys in-person programming.

In-person program Noah's Ark Stuffed Animal Craft Kit, July 1st.
The library ordered **53 craft kits** which were given to children who came to the library on July 1st. The kits contained a sea creature body, stuffing, a certificate and a wishing star to put inside the animal. Most children did their craft while in the library with help from their parents, grandparents or library staff. This was our most fun and successful program of the summer. Children also enjoyed picking prizes from our treasure chest all summer as they checked out books. They could choose from new books the library had purchased from a company called First Book. We also had slime, bouncy balls, spongy dinosaurs, stickers and light-up wands. These prizes were purchased by the Friends of the Library for last summer's program which we didn't have due to COVID.

The least successful program was "Live with the Memphis Zoo." Even though it was a fun and educational program, it did not have good participation. I believe the failure of this program was largely because children had to be logged on at 1 PM and could not watch it at their convenience.

The new computer lab, located in the old children's area of the library, is open. It includes a new circulation desk with two staff members dedicated to helping people with their computer projects. Library users and staff are still getting used to the children's area now being in the front of the library. However, everyone loves the new computer lab so sometimes change is a good thing. We have installed new lighter-colored end panels on adult shelving which brightens up the lobby. We had to postpone installing new panels in the children's area due to roof leaks. Sadly, our roof continues to leak, and that situation is worsening. (see attached photos).

Good news: Tim Pinkard from the Attala County Board of Supervisors called Monday, August 2nd to say that the supervisors are meeting with architect, Art Cook, on the 13th to discuss plans for a new roof for the library. He cautioned that the government process is slow. Tim said we should be able to continue to operate the library while the roofing is taking place although it would be noisy. He stated Scott McKenna will be over doing some patch work until the new roof is complete.

More good news: Library users can now use seating areas inside the library. We have added a new seating area in the foyer of the front lobby. This area used to be wasted space. We took the inside glass doors off, moved in some nice furniture we had from other areas and purchased a colorful new rug. We hope to have ceiling fans installed in this area to aid in cooling/heating.

August is Customer Appreciation Month. Children who come to the library will receive a balloon. Anyone printing, copying or faxing will receive half price on these items only during August.

Director's Report

Montgomery County Board Representative

- Montgomery County Administrative Board Member Margaret Harris informed me late last week of her intention to resign from the regional board
- She plans on remaining on as a member of the Montgomery County Advisory Board of Trustees
- After Ms. Harris submits her letter of resignation, I will contact the Montgomery County Board of Supervisors to inform them of the vacancy

8-6-2021

Mr. Josh Haidet
Mid-MS Regional Library System
201 South Huntington St.
Kosciusko, MS 39090

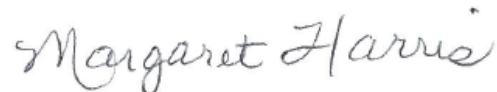

Dear Mr. Haidet:

With much regret, I have decided to resign from the Regional Library Board of Trustees.

I own a retail store and work at my local hospital as a registered nurse. I simply do not have the opportunity to leave at times to attend the meetings.

I am honored to have served as long as I did. The Mississippi Library System provides a tremendous community service, and I am proud to remain on the Winona Board of Trustees.

Sincerely,

A handwritten signature in cursive script that reads "Margaret Harris".

Margaret Harris

Winston County Library suffers lightning damage

By Mike Robertson
Winston County Journal

The Winston County Library suffered damage from a lightning strike, on Sunday afternoon, July 25, as a major thunderstorm moved through the area. The damage is near the base of the cupola.

Head Librarian, Beth Edwards, stated that

she received notification at around 4 p.m. that afternoon that the library security system had been activated, and when she arrived to disable it nothing was out of place. However, the following morning the staff discovered that none of the computers, the fax machine, the telephone system, and other equipment would work. When the IT rep arrived on Tuesday morning he discovered the damage.

There was no fire damage or water dam-

age to the facility, but Edwards did note that insulation in the roof was wet, and apparently that is what prevented water damage below. The building is owned and maintained by the City of Louisville, and Edwards stated that a temporary patch was placed immediately, and an insurance adjuster was set to arrive midweek.

Edwards said, "It's a miracle the building

Students with the Holmes Community College PTA Program in Grenada work to install a lending library and a food pantry as a part of a class project as a way to give away to their communities. Above, Lanecia Winters and Wesley Fox move the lending library as Shelby Ballard, Callie Lane Lyon, Alleie Dunn and Sydney Caine Liddell try to figure out the best place for it. As a way to give back to the Town of Duck Hill, students from the Holmes Community College Physical Therapy Assistants class collaborated with the Friends of the Duck Hill Library to create a lending library and a food pantry.

Meg King, director of the PTA program at HCC Grenada, said the lending library was made out of wood and was put together by the students themselves. The food pantry was made out of an old newspaper rack from the Grenada Star.

"Shirley Lane coordinated with the class, they [Friends of the Duck Hill Library] had some funds that they wanted to use, so the class didn't have to

fundraise for this one, the funds were already available," King said.

She said the class cleaned up the donated rack and painted it. Both are now sitting outside of the library. King said the pantry is available for those in need to take what they need. If someone has more than they need, they can donate it to the pantry.

FY2022 MMRLS Employee Incentive Program Headquarter Staff Members

The MMRLS Employee Incentive Program shall be used annually, depending on the availability of funds, to provide financial awards to eligible employees. Incentives will be distributed evenly from available funds to all eligible employees based on the number of hours worked by the employee during a typical week of employment. Employees will be informed of the amount they will be eligible to receive after the MMRLS Administrative Board of Trustees approves the library system's final FY2022 operating budget. Payments will be made to eligible employees no later than October 31, 2022.

To meet eligibility, MMRLS employees must regularly work 20 hours or more per week, be actively employed for the entirety of FY2022 (October 1, 2021 – September 30, 2022), and meet all the criteria described below. Exceptions to the below criteria can only be made on an individual basis by the MMRLS Administrative Board of Trustees. Exception requests must be made in writing.

Additional Eligibility Criteria:

- Attend position-relevant trainings (in-person or online):
 - Four trainings for 40-hour employees
 - Two trainings for employees working less than 40 hours
 - Employees must provide proof of training attendance before September 30, 2022
- Attend all FY2022 MMRLS Staff Meetings
- Receive no written reprimands during FY2022
- Have a 96% on-time attendance record during FY2022
- Submit on-time reports in at least 11 out of 12 months during FY2022
- Develop at least one new department-specific project, program, procedure, or resource which encourages library usage, creates or improves a library service, or otherwise benefits library support groups, staff, or patrons. Project must be pre-approved by the Executive Director.

FY2022 MMRLS Employee Incentive Program Librarian/Branch Managers (2+ FTE Branches)

The MMRLS Employee Incentive Program shall be used annually, depending on the availability of funds, to provide financial awards to eligible employees.
